FROM: Deputy Director for Science and Technology  
SUBJECT: Letter of Appreciation

1. Please accept my deepest appreciation and thanks for your participation in and outstanding contribution to the Federal Women's Program Interagency Subcommittee on Women in Science and Engineering (WISE). Your drive and dedication as the CIA and DDS&T representative have provided this Agency and in particular this directorate with numerous benefits.

2. We, in this directorate, value the efforts you and WISE have made in furthering women in the fields of science and engineering and we look forward to your future endeavors. This directorate continues to support and encourage participation in WISE because of its value and potential contributions.
